INFO.

- In early January, 2,000 Viet Minh Army troops under the command of HUANG Kuang-pao (養 光保), Chinese vice governor of Viet Minh-controlled Hai Minh Province, Indochina, arrived at Fangcheng (103-23, 21-16) from an area along the China-Indochina border.
- In early January, 1,300 troops of the Viet Minh 30 Regiment, 11 Division, (sic) left the Tunghsing-Fangcheng area for Plinghsiang (100-bh, 22-06). KAO Shih-yun (高 工家),* an Indochinese, is commander of the regiment. Tu-ch'iang (武自強), Chinese graduate of the sixteenth class of the Branch School of the Central Military Academy, is political commissar.
- 3. On 3 February FEEC Pai-chu, chairman of the Hainan Hilitary Control Commission, arrived in Canton. On the night of 5 February FERIC attended a meeting with YEM Chien-ying and members of the Soviet military mission in Canton at the Soviet consulate to discuss sending Chinese Communist troops on Hainan to Indochina by water to aid Viet linh Army troops in an all-out offensive against the French.

Hong Kong

4. In late February CHIN Keng selected 3,000 men from his three armies of the 2 Field Army in south Yunnan for service as junior officers and political directors in No Chi Ninh's army. The men were being infiltrated across the border in small numbers.
